This debut novel follows the trials and tribulations of Kim Karlsen, a television personality whose career obsession brings her some serious cosmic repercussions. In her quest to dominate the airwaves, Kim cheats on her husband, neglects her daughter, and mistreats her staff. It all seems worth it when she wins the biggest German Television Award, but sadly on the very same night she is crushed to death by debris falling from a Russian space station.... At the gates of Heaven, Kim is informed that she has collected too much bad karma in her life, and has a long road of atonement ahead. Reincarnation as an ant teaches her a few lessons in humility, and she experiences life as a guinea pig and as a beagle before regaining human form just in time to sabotage the marriage of her husband to her backstabbing best friend. In 1988, a retired schoolteacher named Pius Fernandes receives an old diary found in the back room of an East African shop. **'NO ONE COULD TELL ME THAT DESPITE THE OCCASIONAL POGROM, I WASN'T BORN INTO THE BEST OF ALL POSSIBLE WORLDS'** - Clara Kramer. Clara Kramer was a typical Polish Jewish teenager from a small town at the outbreak of the Second World War. When the Germans invaded, her family home was given to a Volksdeutsch family, the Becks. Mr. Beck was known to be an alcoholic and a vocal anti-Semite. But on hearing that Jewish families were being led into the woods and shot, Mr. Beck took in told the Kramers and two other Jewish families. Although he didn't "like" Jews he did not think they should be killed. 18 people in all, went to live in a bunker dug out of the basement. They were confident that the war would be over in a matter of weeks. But the weeks turned into 18 months. Clara was 14 years old when she entered the bunker. An avid reader, she kept a diary, writing with a blue pencil in a little notebook. She wrote down details of their confined life - no one could hide anything from each other in the bunker, and their proximity to the Becks - with only floorboards separating

them- meant she was aware of everything going on upstairs as well. As time went by, the two parallel worlds became one. Mr. Beck fell in love with one of Clara's cousins. One day, Mrs. Beck came home to discover the affair. She faced the painful choice of sending the offending girl away to her death - and endangering the lives of 17 other people - or keeping her husband's girlfriend under her roof. She chose the latter. Clara became like a daughter to Mrs. Beck, and tried to atone for her cousin's sins by sneaking upstairs when the coast was clear and cleaning the house. Clara relished the cleaning -a rare opportunity to stretch and move freely. Mr. Beck hustled and schemed to get money to feed and care for the three families downstairs. The logistics were perilous. With rationing, the SS, Gestapo, and informers everywhere, the task was not only to find the money, but also to buy enough food for 20 people without raising suspicions. Rumours started that the Becks were harbouring Jews - there was panic in the house. Mr. Beck decided that the best way to deal with the rumours was to invite the SS and Gestapo in for a party. He was a gracious host and it was a small town without much to do, so the SS and Gestapo started to visit the Becks almost every night, drinking and laughing and singing to all hours. Meanwhile Clara and her family were just a few feet below, listening, in complete silence. In a wonderful twist of fate, after the war, Clara's diary saved the Becks. When the Russians arrived, the Becks were arrested and were to be sent to a camp. But through a Russian friend, Clara managed to get her diary to the Commissar in charge. He had it read and thanks to Clara's account, the Becks were released. Clara says that everything she has

learned about life and love, courage and family, she has learned from the war, and in particular from the Becks upstairs. Clara's diary is in the Holocaust Museum in Washington. The bunker in Poland still exists. Based in New Jersey, Clara founded and runs a Holocaust and Prejudice Reduction Center at Keane State University. The breathtaking new novel from acclaimed author and comedian Mark Watson: his most powerful and affecting yet. Dominic Kitchen is a wedding photographer. And as the years go by, it becomes more difficult to ignore, until the ties that bind threaten to tear him apart... PRAISE FOR THE KNOT: 'A pitch-perfect tragicomedy of ordinary - and not so ordinary - family life' Jonathan Coe 'A beautifully observed, touching and funny book of considerable power' AL Kennedy, author of Day, Costa Book of the Year 'This book is just AMAZING. It deserves to be read by everyone and would be a fantastic choice for book groups. Beautifully written and utterly gripping, this could well be my favourite novel of the year' Jill Mansell Not since The Diary of Anne Frank has there been such a book as this: The joyful but ultimately heartbreaking journal of a young Jewish woman in occupied Paris, now being published for the first time, 63 years after her death in a Nazi concentration camp. On April 7, 1942, Hélène Berr, a 21-year-old Jewish student of English literature at the Sorbonne, took up her pen and

**started to keep a journal, writing with verve and style about her everyday life in Paris – about her studies, her friends, her growing affection for the “boy with the grey eyes,” about the sun in the dewdrops, and about the effect of the growing restrictions imposed by France’s Nazi occupiers. Berr brought a keen literary sensibility to her writing, a talent that renders the story it relates all the more rich, all the more heartbreaking. The first day Berr has to wear the yellow star on her coat, she writes, “I held my head high and looked people so straight in the eye they turned away. But it’s hard.” More, many more, humiliations were to follow, which she records, now with a view to posterity. She wants the journal to go to her fiancé, who has enrolled with the Free French Forces, as she knows she may not live much longer. She was right. The final entry is dated February 15, 1944, and ends with the chilling words: “Horror! Horror! Horror!” Berr and her family were arrested three weeks later. She went – as was discovered later – on the death march from Auschwitz to Bergen-Belsen, where she died of typhus in April 1945, within a month of Anne Frank and just days before the liberation of the camp. The journal did eventually reach her fiancé, and for over fifty years it was kept private. In 2002, it was donated to the Memorial of the Shoah in Paris. Before it was first published in France in January 2008, translation rights had already been sold for twelve languages. Als Bestsellerautor David Safier für seinen Roman «28 Tage lang» recherchierte, der im Warschauer Ghetto spielt, stieß er auf ein außergewöhnliches literarisches Dokument: eine Komödie des polnischen Autors Jerzy Jurandot, die im Januar 1942 im Femina-Theater inmitten der Grauen des Ghettos**

**uraufgeführt wurde. Ein Lustspiel mit Musik, voller komischer Szenen und Verwicklungen, ein Stück über die Liebe zwischen jungen Menschen, denen doch keine Zukunft gewährt sein wird, weil sie schon bald in die Gaskammern geschickt werden. Der Text ist ein sensationeller Fund. «Die Liebe sucht ein Zimmer» ist eine Komödie aus den Zeiten des Holocausts. Sie zeigt, dass es ein Lachen geben konnte inmitten der Schrecken des Ghettos und angesichts der drohenden Gaskammern. Auch dass selbst in solchen Zeiten Liebe möglich war. Und dass beides - Lachen und Liebe - den Menschen angesichts des nahenden Todes Kraft und Trost spenden konnten. David Safier hat den Text behutsam bearbeitet und durch ein Vorwort ergänzt, das den historischen Kontext erläutert. The powerful, unforgettable new novel from the bestselling author of The Boy in the Striped Pajamas, for ages 12+. When Pierrot becomes an orphan, he must leave his home in Paris for a new life with his Aunt Beatrix, a servant in a wealthy household at the top of the German mountains. But this is no ordinary time, for it is 1935 and the Second World War is fast approaching; and this is no ordinary house, for this is the Berghof, the home of Adolf Hitler. Quickly, Pierrot is taken under Hitler's wing, and is thrown into an increasingly dangerous new world: a world of terror, secrets and betrayal, from which he may never be able to escape. Traumas can be passed from one generation to the next - this is well known - and hardly any group is so affected by this phenomenon as the descendants of people persecuted by the Nazis. But just how does this transfer take place? What role do family traditions and continued social practices play? Does genetics have an impact?**

Furthermore, can the cycle be broken? The descendants of those persecuted by the Nazis can draw on unique resources and skills. They make significant contributions to political and social reckonings with the Nazi era and they work for the welfare of the survivors. Many are active in political education and advocate for an appropriate culture of remembrance. In a time of increasing right-wing populism, their views are indispensable. This publication was made possible with support from the German Federal Ministry for Family Affairs, Senior Citizens, Women and Youth. A starkly beautiful, wordless graphic novel about the end of the world by the cult artist and longtime Radiohead collaborator. A wild seascape, a distant island, a full moon. Gradually the island grows nearer until we land on a primeval wilderness, rich in vegetation and huge, strange beasts. Time passes and man appears, with clubs, with spears, with crueler weapons still—and things do not go well for the wilderness. Civilization rises as towers of stone and metal and smoke choke the undergrowth and the creatures that once moved through it. This is not a happy story, and it will not have a happy ending. Working in his distinctive, monochromatic linocut style, Stanley Donwood achieves with his art what words cannot convey, carving out a mesmerizing, stark parable of environmental disaster and the end of civilization. An International Bestseller! A LibraryReads and Indie Next Pick! A trio of second-born daughters sets out on a whirlwind journey through the lush Italian countryside to break the family curse that says they'll never find love, by New York Times bestseller Lori Nelson Spielman, author of *The Life List*. Since the day Filomena Fontana

cast a curse upon her sister more than two hundred years ago, not one second-born Fontana daughter has found lasting love. Some, like second-born Emilia, the happily-single baker at her grandfather's Brooklyn deli, claim it's an odd coincidence. Others, like her sexy, desperate-for-love cousin Lucy, insist it's a true hex. But both are bewildered when their great-aunt calls with an astounding proposition: If they accompany her to her homeland of Italy, Aunt Poppy vows she'll meet the love of her life on the steps of the Ravello Cathedral on her eightieth birthday, and break the Fontana Second-Daughter Curse once and for all. Against the backdrop of wandering Venetian canals, rolling Tuscan fields, and enchanting Amalfi Coast villages, romance blooms, destinies are found, and family secrets are unearthed—secrets that could threaten the family far more than a centuries-old curse. The dark story of Adolf Hitler's life in 1924--the year that made a monster Before Adolf Hitler's rise to power in Germany, there was 1924. This was the year of Hitler's final transformation into the self-proclaimed savior and infallible leader who would interpret and distort Germany's historical traditions to support his vision for the Third Reich. Everything that would come--the rallies and riots, the single-minded deployment of a catastrophically evil idea--all of it crystallized in one defining year. 1924 was the year that Hitler spent locked away from society, in prison and surrounded by co-conspirators of the failed Beer Hall Putsch. It was a year of deep reading and intensive writing, a year of courtroom speeches and a treason trial, a year of slowly walking gravel paths and spouting ideology while working feverishly on the book that

became his manifesto: Mein Kampf. Until now, no one has fully examined this single and pivotal period of Hitler's life. In 1924, Peter Ross Range richly depicts the stories and scenes of a year vital to understanding the man and the brutality he wrought in a war that changed the world forever. Inspired by true events, David Safier's *28 Days: A Novel of Resistance in the Warsaw Ghetto* is a harrowing historical YA that chronicles the brutality of the Holocaust. *Warsaw, 1942*. Sixteen-year old Mira smuggles food into the Ghetto to keep herself and her family alive. When she discovers that the entire Ghetto is to be "liquidated"—killed or "resettled" to concentration camps—she desperately tries to find a way to save her family. She meets a group of young people who are planning the unthinkable: an uprising against the occupying forces. Mira joins the resistance fighters who, with minimal supplies and weapons, end up holding out for twenty-eight days, longer than anyone had thought possible. Turning inside out the traditional view of David as a beloved king and gentle author of the Psalms, Edghill's well-written debut novel, "Queenmaker," paints a dark picture of the lauded biblical hero as seen through the eyes of his first wife, Michal. It is an epic journey, spanning continents and generations, from Warsaw to the gulags of Siberia, and two lives that intertwine amid the chaos of war. Because even in wartime, there is hope... Hetty's family was torn apart following the German invasion of the Netherlands. Rounded up by the Nazis and then separated from their parents, Hetty and her brothers were sent to the Children's House, within Belsen concentration camp. This is a cutting-edge collection of original essays on the connections and structures that made the Atlantic world a coherent regional entity. **Book Review A true triumph of voice and storytelling, The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft. Beefy Jones is a lovable rogue who lives with a gang of petty criminals in the disused loft of a church hall. The Vicar is blissfully unaware of this.
