Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In Agents of the Apocalypse, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?
