It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work. Simple ideas, lasting love—all in a short read In this abridged version of the New York Times bestseller *The 5 Love Languages*®, relationships expert Dr. Gary Chapman offers a trimmed-down explanation of his transformational approach to love. People express and receive love in 5 different ways, called love languages: quality time, words of affirmation, gifts, acts of service, and physical touch. The sooner you discover your language and that of your loved one, the sooner you can take your relationship to new heights. And with this summary version of the award-winning book, you don't have to read long to find out. With disarming wit, clear explanations, and inspiring storytelling, Dr. Chapman only needs a moment of your time to transform your love life. In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and

companionship, and finding one's way through the dark. #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless

young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. Now an HBO Max series starring Ray Romano and Cristin Milioti From one of our most exciting and provocative young writers, a poignant, riotously funny story of how far some will go for love—and how far some will go to escape it. Hazel has just moved into a trailer park of senior citizens, with her father and Diane—his extremely lifelike sex doll—as her roommates. Life with Hazel's father is strained at best, but her only alternative seems even bleaker. She's just run out on her marriage to Byron Gogol, CEO and

founder of Gogol Industries, a monolithic corporation hell-bent on making its products and technologies indispensable in daily life. For over a decade, Hazel put up with being veritably quarantined by Byron in the family compound, her every movement and vital sign tracked. But when he demands to wirelessly connect the two of them via brain chips in a first-ever human "mind-meld," Hazel decides what was once merely irritating has become unbearable. The world she escapes into is a far cry from the dry and clinical bubble she's been living in, a world populated with a whole host of deviant oddballs. As Hazel tries to carve out a new life for herself in this uncharted territory, Byron is using the most sophisticated tools at his disposal to find her and bring her home. His threats become more and more sinister, and Hazel is forced to take drastic measures in order to find a home of her own and free herself from Byron's virtual clutches once and for all. Perceptive and compulsively readable, *Made for Love* is at once an absurd, raunchy comedy and a dazzling, profound meditation marriage, monogamy, and family. For fans of Jenny Han, Jane Austen, and *The Great British Baking Show*, *A Taste for Love*, is a delicious rom com about first love, familial expectations, and making the perfect bao. To her friends, high school senior Liza Yang is nearly perfect. Smart, kind, and pretty, she dreams big and never shies away from a challenge. But to her mom, Liza is anything but. Compared to

her older sister Jeannie, Liza is stubborn, rebellious, and worst of all, determined to push back against all of Mrs. Yang's traditional values, especially when it comes to dating. The one thing mother and daughter do agree on is their love of baking. Mrs. Yang is the owner of Houston's popular Yin & Yang Bakery. With college just around the corner, Liza agrees to help out at the bakery's annual junior competition to prove to her mom that she's more than her rebellious tendencies once and for all. But when Liza arrives on the first day of the bake-off, she realizes there's a catch: all of the contestants are young Asian American men her mother has handpicked for Liza to date. The bachelorette situation Liza has found herself in is made even worse when she happens to be grudgingly attracted to one of the contestants; the stoic, impenetrable, annoyingly hot James Wong. As she battles against her feelings for James, and for her mother's approval, Liza begins to realize there's no tried and true recipe for love. In the modern world, most women have the opportunity to do and be whatever they set their minds to. If a woman wants to be a chief executive officer (CEO), she can be a CEO. If a woman wants to be a stay-at-home mom, she can be a stay-at-home mom. However, this land of opportunity has also given rise to the idea that women can have it all, be it all, and be successful in every aspect of their lives, all by themselves. Unfortunately, this is not possible, but that has not stopped women from running themselves ragged in the pursuit of perfection. In order to live a fulfilled and happy life, women need to come to terms with the fact that society's standards are impossible to meet, and then figure out what they truly want to do, while finding ways to delegate the rest... *Analysis of For the Love \* Summary of book \*  
Introduction to the Important People in the book  
\* Analysis of the Themes and Author's Style This  
schoolroom drama that inspired the classic Sidney  
Poitier film is "a microcosm of the racial issues  
. . . A dramatic picture of discrimination"  
(Kirkus Reviews). With opportunities for black  
men limited in post-World War II London, Rick  
Braithwaite, a former Royal Air Force pilot and  
Cambridge-educated engineer, accepts a teaching  
position that puts him in charge of a class of  
angry, unmotivated, bigoted white teenagers whom  
the system has mostly abandoned. When his efforts  
to reach these troubled students are met with  
threats, suspicion, and derision, Braithwaite  
takes a radical new approach. He will treat his  
students as people poised to enter the adult  
world. He will teach them to respect themselves  
and to call him "Sir." He will open up vistas  
before them that they never knew existed. And  
over the course of a remarkable year, he will  
touch the lives of his students in extraordinary  
ways, even as they in turn, unexpectedly and  
profoundly, touch his. Based on actual events in  
the author's life, *To Sir, With Love* is a  
powerfully moving story that celebrates courage,  
commitment, and vision, and is the inspiration  
for the classic film starring Sidney Poitier.  
From the author of *The Sympathizer*, winner of the  
2016 Pulitzer Prize for Fiction, *The Refugees* is  
the second piece of fiction from a powerful voice  
in American letters, praised as "beautiful and*

heartrending" (Joyce Carol Oates, *New Yorker*), "terrific" (*Chicago Tribune*), and "an important and incisive book" (*Washington Post*) Published in hardcover to astounding acclaim, *The Refugees* is the remarkable debut collection of short stories by Viet Thanh Nguyen, winner of the 2016 Pulitzer Prize for Fiction for his novel *The Sympathizer*. In these powerful stories, written over a period of twenty years and set in both Vietnam and America, Nguyen paints a vivid portrait of the experiences of people leading lives between two worlds, the adopted homeland and the country of birth. With the same incisiveness as in *The Sympathizer*, in *The Refugees* Viet Thanh Nguyen gives voice to the hopes and expectations of people making life-changing decisions to leave one country for another, and the rifts in identity, loyalties, romantic relationships, and family that accompany relocation. From a young Vietnamese refugee who suffers profound culture shock when he comes to live with two gay men in San Francisco, to a woman whose husband is suffering from dementia and starts to confuse her for a former lover, to a girl living in Ho Chi Minh City whose older half-sister comes back from America having seemingly accomplished everything she never will, the stories are a captivating testament to the dreams and hardships of migration. The second work of fiction by a major new voice in American letters, *The Refugees* is a beautifully written and sharply observed book about the aspirations of those who leave one

country for another, and the relationships and desires for self-fulfillment that define our lives. "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into

a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021

When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope. In this lyrical, exuberant tale, acclaimed Turkish author Elif

*Shafak, author of The Island of Missing Trees (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. The Forty Rules of Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker,*

*Kiowa*, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award. A *New York Times* bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to

provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better. A NEW YORK TIMES NOTABLE BOOK OF 2017 From the author of the viral New York Times op-ed column "To Siri with Love" comes a collection of touching, hilarious, and illuminating stories about life with a thirteen-year-old boy with autism that hold insights and revelations for us all. When Judith Newman shared the story of how Apple's electronic personal assistant, Siri, helped Gus, her son who has autism, she received widespread media attention and an outpouring of affection from readers around the world. Basking in the afterglow of media attention, Gus told anyone who would listen, "I'm a movie star." Judith's story of her son and his bond with Siri was an unusual tribute to technology. While many worry that our electronic gadgets are dumbing us down, she revealed how they can give voice to others, including children with autism like Gus—a boy who has trouble looking people in the eye, hops when

he's happy, and connects with inanimate objects on an empathetic level. *To Siri with Love* is a collection of funny, poignant, and uplifting stories about living with an extraordinary child who has helped a parent see and experience the world differently. From the charming (Gus weeping with sympathy over the buses that would lie unused while the bus drivers were on strike) to the painful (paying \$22,000 for a behaviorist in Manhattan to teach Gus to use a urinal) to the humorous (Gus's insistence on getting naked during all meals, whether at home or not, because he does not want to get his clothes dirty) to the profound (how an automated "assistant" helped a boy learn how to communicate with the rest of the world), the stories in *To Siri with Love* open our eyes to the magic and challenges of a life beyond the ordinary. This research began as an attempt to better understand the meaning of the word "love" as discussed in *First Corinthians* the thirteenth chapter. This is an utterly original and completely beguiling prose novel about a boy who has to write a poem, and then another, and then even more. Soon the little boy is writing about all sorts of things he has not really come to terms with, and astounding things start to happen. *One Shining Moment: A Critical Analysis of Love Live! When Serenity Smith's parents passed away, she presumed she lost her only family. Then she receives word from a relative far from Washington D.C.—her grandmother, living on an estate in the beautiful Brittany region of France. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).

As a young child, Goff injured his eye when he was playing with his father's rifle and the gun went off. Goff's dad rushed him to the hospital, which

The Possibility of Love is an exploration of a concept close to the human heart. Grounded in the ordinary, everyday experiences of human living, the book provides an exploration of the diverse obstacles to the experience of love, the consequences of love's absence, and the unquenchable desire for love which propels, influences and ultimately motivates much of human behaviour. The Possibility of Love poses the question: is love actually possible between human beings, or is it an ideal, a fantasy, an illusion, or a comforting aspiration which enables a palliative denial and distortion of the reality of human being? This expansive question is approached through an interdisciplinary analysis. The author addresses

the question of love's possibility as it is explored in a selection of literature from the disciplines of philosophy, psychoanalysis and poetry. The interdisciplinary nature of the study is based on the assertion of an interconnection between the three disciplines, and that this interconnection enables a unique and insightful exploration of the question of love's possibility. Thus, the question is explored from diverse view-points, and also from different time-frames; convergences and divergences are noted and discussed, and conclusions are drawn from the ensuing findings. The book is essentially a philosophical analysis of an emotion that significantly impacts on human experience. It attests to the gradually increasing acknowledgement of the power of emotional experience in the search for knowledge, wisdom and truth. Thus, it is a uniquely honest exploration of human nature in contemporary times.
