In this “witty” New York Times bestseller, a sleuthing baker hits someone with her car—and then has to unravel the mystery behind his identity (Publishers Weekly). It’s been a sleepy summer for the folks of Lake Eden, Minnesota. In fact, it’s been a whole four months since anyone in the Swensen family has come across a dead body—a detail that just made the front page of the local paper. And that means Hannah Swensen can finally focus on her bakery...or can she? Life is never really quiet for Hannah. After all, her mother’s wedding is about a month away and guess who’s in charge of the planning? Just when Hannah believes her biggest challenge will be choosing buttercream or fondant for the cake, she accidentally hits a stranger with her cookie truck while driving down a winding country road in a raging thunderstorm. Hannah is wracked with guilt, and things get even worse when she’s arrested—for murder! But an autopsy soon reveals the

mystery man, his shirt covered in stains from blackberry pie, would have died even if Hannah hadn't hit him. Now, to clear her name, she'll have to follow a trail of pie crumbs to track down the identity of the deceased, find out how he wound up in her path—and get herself to the church on time... “If your reading habits alternate between curling up with a good mystery or with a good cookbook, you ought to know about Joanne Fluke.”—Charlotte Observer Bakery owner Hannah Swensen just can't keep her hands out of the batter when murder stirs things up in Lake Eden, Minnesota, leaving the sheriff dead, a deputy accused, and a killer on the loose . . . For Hannah, life seems to be lacking a certain flavor lately. Maybe it's the local sheriff's election that's got her down. For years, Sheriff Grant's been the iron hand in town. But now, Hannah's brother-in-law, Bill, is giving the old blowhard the fight of his long, dubious career—and Grant's not taking it well, especially once the polls show Bill pulling ahead. But before anyone can taste victory, Hannah makes a very unappetizing discovery: Sheriff Grant's body in the dumpster behind the high school where she's teaching her cooking class. Worse, the poor man still has fudge frosting on his shirt from one of her cupcakes. The number one—and only—suspect is Bill, but Hannah's not swallowing it. Plenty of people had reason to hate Sheriff Grant. Soon, Hannah's dishing up scandalous secrets, steaming hot betrayals, and enough intrigue to keep the gossip mill at The Cookie Jar going through several pots of decaf. And the closer Hannah gets to the truth, the closer she gets to smoking out a murderer with a very nasty recipe for silencing people . . . INCLUDES TEN ORIGINAL DESSERT RECIPES FOR YOU TO TRY! “For fans of culinary mysteries.”—Library Journal “Scrumptious.”—Publishers Weekly New York Times bestselling author Joanne Fluke's Peach Cobbler Murder is repackaged and reissued for those who may have missed it the first time around! New York Times Bestseller USA Today Bestseller Publishers Weekly Bestseller As seen on Hallmark in the Murder, She Baked film collection, read the series that started it all, including ten original recipes for you to try! As she sits in her nearly empty bakery on Groundhog Day, Hannah Swensen can only hope that spring is just around the corner--and that the popularity of the new Magnolia Blossom Bakery is just a passing fad. The southern hospitality of Lake Eden's two Georgia transplants, Shawna Lee and Vanessa Quinn, is grating on Hannah's nerves--and cutting into her profits--at The Cookie Jar. At least Hannah has her business partner Lisa's wedding to look forward to. Unfortunately, Shawna Lee has finagled an invitation to the reception--and is bringing her Southern Peach Cobbler for the dessert table. Things go from bad to worse when Shawna Lee and Hannah's sometime-boyfriend, Detective Mike Kingston, are no-shows to the wedding. When Hannah sees lights on at the Magnolia Blossom Bakery

after the reception, she investigates--and finds Shawna Lee shot to death. Everyone in town knew the Cookie Jar's business was suffering--a fact that puts Hannah at the top of the initial list of suspects. But with a little help from her friends, Hannah's determined to track down whoever had the right ingredients to whip up a murder... A woman loses years of memories after a traumatic accident—and begins to suspect it was no accident—in a thriller by the New York Times-bestselling author . . . The last thing Maura Thomas remembers from before her car careened over a steep embankment is having dinner with her college roommate . . . over twenty years ago. Everything in between is a blank. Maura has no recollection of her husband, her daughter, or her busy, glamorous existence as owner of a Beverly Hills boutique. Maura can't even be sure that everyone around her is who they claim to be. Is it paranoia or self-preservation that makes her uneasy? And then there are the images starting to fill her head—pictures of a life at odds with everything she's been told. As Maura begins to piece together the fragments of her previous life, she grows convinced that her car crash was no accident. But the moment she remembers the truth she'll find herself at the mercy of a killer determined to silence her forever . . . Bakery owner Hannah Swensen has a dress to fit into and a date with her sister, Andrea, at Lake Eden's new health club, Heavenly Bodies. Dragging herself out of bed on a frigid Minnesota morning for exercise, of all things, is bad enough. Discovering the body of man-eating bombshell Ronni Ward floating in the gym's jacuzzi? Okay, that's worse. Nor does it help that there's a plate of The Cookie Jar's very own cream puffs garnishing the murder scene. Trying to narrow the list of Ronni's enemies down to fewer than half the town's female population, Hannah has her plate full. Trouble is, when it comes to cookies--and to murder--there's always room for one more. . . "Foodie fans will eat up Fluke's cozy. . . A fluffy mix of sweets and suspense."

--Publishers Weekly "Entertaining and sprinkled with tempting recipes. It's a sweet treat of a novel." --The Star Tribune (Minneapolis, MN) "A tasty treat." --Kirkus Reviews "A Hannah Swensen mystery with recipes"--Jacket.

Hannah Swensen must admit that her life is pretty sweet. Things are going well in the romance department, and her bakery's delectable confections are selling almost as fast as she can bake them. Even her good friend Claire is on cloud nine, head over heels with her new husband, Reverend Bob Knudson. If only they could find time to take their honeymoon! Since he's on sabbatical, Matthew is happy to fill in for Bob

while he and Claire take that long-awaited honeymoon. It sounds like the perfect plan—until Hannah finds Matthew dead in the rectory, face-down in a plate full of Devil’s Food Cake. Too bad the honor of creating the official Winter Carnival cake went to famous lifestyle maven Connie Mac—a half-baked idea, in Hannah’s opinion. She suspects Connie Mac’s sweet cable-TV image is a cover for something more bitter. Hannah’s suspicions are confirmed when Connie Mac’s limo rolls into town. Turns out America’s “Cooking Sweetheart” is bossy, bad-tempered, and downright domineering. Things finally boil over when Hannah arrives at The Cookie Jar to find the Winter Carnival cake destroyed—and Connie Mac lying dead in her pantry, struck down while eating one of Hannah’s famous blueberry muffins. Next thing Hannah knows, the police have declared The Cookie Jar’s kitchen crime scene off-limits. She’s a baker without an oven—and the Carnival is right around the corner. When Hannah learns that her sister Michelle's boyfriend, Detective Lonnie Murphy, is the prime suspect in a murder case, she goes straight from a movie studio sound stage to the Los Angeles airport. Back in frigid Minnesota, she discovers that proving Lonnie's innocence will be harder than figuring out what went wrong with a recipe. Lonnie remembers only parts of the night he went out to a local bar and ended up driving a very impaired woman home. He knows he helped her to her bedroom, but he doesn't recall anything else until he woke up on her couch the following morning. When he went to the bedroom to check on her, he was shocked to discover she was dead. When Larry Jaeger, the owner of the Crazy Elf Christmas Tree Lot, is murdered, bakery owner Hannah Swensen must sift through a wealth of suspects during the busiest time of the year--before a murderous Scrooge strikes again. It promises to be a busy week for Hannah Swensen. Not only is she whipping up treats for the chamber of commerce booth at the Tri-County fair, she's also judging the baking contest; acting as a magician's assistant for her business partner's husband; trying to coax Moishe, her previously rapacious feline, to end his hunger strike, and performing her own private carnival act by juggling the demands of her mother and sisters. With so much on her plate, it's no wonder Hannah finds herself on the midway only moments before the fair closes for the night. After hearing a suspicious thump, she goes snooping--only to discover Willa Sunquist, a student teacher and fellow bake contest judge, dead alongside an upended key lime pie. But who would want to kill Willa and why? Now Hannah needs to crank up the heat,
