Beginning in 1924, Proceedings are incorporated into the Apr. number. A fan favorite from New York Times bestselling author Candace Camp, originally published in 2009. Lady Francesca Haughston has given up on romance for herself, finding passion instead in making desirable matches for others. So it seems only fair, when she learns she'd been deceived into breaking her own long-ago engagement to Sinclair, Duke of Rochford, that she now help him find the perfect wife. Of course, Francesca is certain any spark of passion between them has long since died—her own treatment of him saw to that. The way Sinclair gazes at her...well, that's merely practice for when a younger, more suitable woman catches his eye. But soon Francesca finds his lessons in love scandalously irresistible—and a temptation that could endanger them both. Originally published: New York: Warner Books, 2007. Their lives were perfect . . . until they met each other. Lady Hero Batten is perfect, well-mannered and beautiful with an impeccable pedigree. After years of waiting for a gentleman to sweep her off her feet, she has decided to do her duty and settle for a proper society marriage to Thomas Remmington, the Marquess of Mandeville. True, the marquis is a trifle dull and lacks a sense of humour, but he is handsome and rich. Griffin Remmington, Lord Greyson, the Marquess' younger brother, is not at all perfect. Their duel of words soon sparks a fire in them both, despite the fact that Hero's marriage to Thomas is drawing ever nearer. . . Can a pirate learn that the only true treasure lies in a woman's heart? Widowed Silence Hollingbrook is impoverished, lovely, and kind - and nine months ago she made a horrible mistake. That night wounded her so terribly that she hides in the foundling home she runs with her brother. Except now that same river pirate is back . . . and he's asking for her help. 'Charming' Mickey O'Connor is the most ruthless river pirate in London. Devastatingly handsome and fearsomely intelligent, he clawed his way up through London's criminal underworld. Mickey has no use for tender emotions like compassion and love, and he sees people as pawns to be manipulated. And yet he's never been able to forget the naive captain's wife who came to him for help. Leo Drake, the "Mad Monk of Monkcrest," is notoriously eccentric and unquestionably reclusive. But he is also a noted antiquities expert, which is why Beatrice Poole has demanded his reluctant assistance. The freethinking authoress of "horrid novels," Beatrice is searching for

the Forbidden Rings of Aphrodite, a mythic treasure she suspects played a role in her uncle's death. Beatrice finds Leo every bit as fascinating as one of the heroes in her novels—and she's convinced he's the only one who can help her. But after only five minutes in her company, Leo is sure he's never met a woman more infuriating . . . and more likely to rescue him from boredom. Yet the alliance may well prove to be the biggest mistake of their lives. For a villain lurks in London, waiting for the pair to unearth the Forbidden Rings—knowing that when they do, that day will be their last. . . .
