13 WEEK BIBLE STUDY Knowing God Bible Study is a simple and effective tool that will help you to meet God every day, grow in your love relationship with God, and grow as a disciple of Jesus. Included in this book are an introduction and guide to the Bible Study method, 10 New Testament book introductions, and 13 weeks worth of Bible Studies complete with meditation questions. SIMPLE BIBLE STUDY Knowing God Bible Study provides an easy plan and pathway for growth. It provides a daily reading and short passages to focus and meditate on from each chapter. Knowing God Bible Study gives you a simple schedule and practical format that everyone can follow. TO GROW My desire is to help ordinary people learn to meditate on the Word and grow strong in their love relationship with God. This study will help you learn to feed your soul daily by spending time with God in His Word. This is foundational to becoming mature disciples of Jesus. I pray that Knowing God Bible Study will inspire your faith and help you to grow in Christ. WHO IS KGBS FOR? Knowing God Bible Study is a simple approach to Bible study for anyone who is hungry to grow in Christ including: New believers, mothers & fathers, students, young people, busy people, people who want to learn to meditate on the word. KGBS also is a great tool to use with groups! READ. WRITE. LISTEN. OBEY. PRAY. The best thing about Knowing God Bible Study is that it is simple and doable. It is a basic plan for people who want to learn to meditate on the Word by themselves. You too can develop the ability to meditate on any passage and to hear God speak directly to you through the Bible! When was the last time

paused to meditate and study the crucially important doctrine of the sovereignty of God. In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way that no other has before or after him. Pink dives into Scripture not only to define the doctrine of the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us to wrestle with and accept a higher, deeper, and broader view of our omniscient and omnipotent King. In the most ambitious and important book of his career, Deepak Chopra sets us on a path to the ultimate spiritual experience. The bestselling author of *Ageless Body, Timeless Mind* and *The Seven Spiritual Laws of Success* has written a groundbreaking exploration of the seven ways we can experience God. These are shaped not by any one religion but by an instinct that is wired into the brain. In this remarkable work, Chopra takes us step by step, from the first stage, where the brain's "fight or flight" response yields us the experience of a God who is an all-powerful parent, to the seventh stage, where the brain experiences God as a being, a sacred presence that just is. All seven stages are available to us at all times. In *How to Know God*, Deepak Chopra charts a fascinating course for us, as we explore the connections between mysticism, religious ecstasy, genius, telepathy, multiple personality, and clairvoyance. Drawing insights from psychology, neurology, and physics, as well as from the great religions, the result is vintage Chopra - that internationally-celebrated blend of philosophy and science- applied to the greatest subject of all. This is the quest that we are on, whether we realize it or not. This is the ultimate hunt, for as Chopra puts it, "to know God is our highest instinct to know ourselves." This remarkable book makes a dramatic and enduring contribution to that knowledge. With the recent wave of books on atheism becoming New York Times best-sellers, the God debate is heating up. Because of the implications, it's the most significant question of all time: Is there a God, or isn't there? In this compelling book, Ray Comfort argues the case with simple logic and common sense. If there is a God, surely He has made His presence known so that anyone, young or old, scholar or school child, can find Him. By applying basic logic to three clear evidences for the existence of God, Comfort will help you to: Examine the case for evolution and see what top scientists are really saying about the theory Explore the evidence that led the world's most notorious atheist to acknowledge a Creator Investigate the evidence to discover who God is through 100% scientific proof, you can know God for sure. If you are looking for an enlarged vision of God and a renewed understanding of your own vocation before the Lord, take up this book and be refreshed in your love for your heart, soul, and mind. In this 365-day devotional, children will get to know God better day by day. The devotional specifically targets boys separately in order to make the content more gender relevant. Guys will learn that by applying simple instructions from the Word, like obedience, praying and sharing, God will become more real to them as they begin to walk in His ways. Each devotion ends with a "ChallengePoint" that requires an action, as well as something to think about all day long. 365 DAYS TO

KNOWING GOD FOR GUYS will encourage guys to live for God and to know Him better with each passing day. Lean In, Listen, and Let the Holy Spirit Guide You. If God's voice feel far away or even silent? Are you familiar with the Trinity but unsure who the Holy Spirit is or how He works? Join Jenny Randle on a 31-day interactive journey to greater intimacy with God. It's filled with information and practices that help you be mentored and guided by the Holy Spirit, listen to God speak to you in new ways, overcome obstacles to hearing His voice, and align what you are hearing with the truth of God's Word. You may not hear a choir of angels or have a chat with a burning bush like Moses did, but you can learn to recognize and respond to God's voice in your everyday life. And when you do, your days will be filled with amazing new possibilities and purpose. You were made for this! Dr. John Shackelford, Christian psychologist, wants to help you know yourself. Your journey starts with being honest about your past and what you have been through - the good and the bad - and considering how they have affected you. He then offers three personality systems which have helped him and can help you know yourself better: Myers-Briggs, ego states, and Enneagram. While there may be no one exactly like you, there are many people with whom you share personality traits. The Myers-Briggs has sixteen types. You will fit one of those. The Enneagram offers nine types. You will see yourself in one of these. The Enneagram is valuable as it describes the deeper dynamics which limit you. This knowledge helps you move beyond your ingrained way of living life, i.e. your ego-life. Learning about yourself can be fun at times, and hard at times. You will come to see your strengths and weaknesses more clearly. Dr. Shackelford also offers chapters on the ego, the False Self, and the True Self. In your life you go through painful experiences where you flourish or fail (collapse of False Self). This life crisis, though difficult, can be a portal from an ego-run-life, to a healthy dependence on God, what the book refers to as a God-Led-Life. The author shares his own story of collapse and how he found God in a new way while being a Christian for years. Actually, knowing yourself better proves to be quite helpful in knowing God better and trusting Him to be the Lord of your life. In the second half of the book, Dr. Shackelford offers three chapters toward knowing God better: God's Will, God's Desire, and God's Love. This can serve as a foundation for beginning to "pursue God." The last section of the book is very personal. It is the story of six individuals who have made a consistent effort to pursue God and journal their experiences. The reader will see how these six Christians moved from an Ego-Led-Life to a God-Led-Life. On this God-Led-Life becomes less about striving for love or significance, and more about knowing and following God/Jesus. As one's identity becomes secure in the unconditional love of Christ, the believer understands that life is not about what we can do for God, but about what He has done for us. This book was written to increase awareness of self and to help that one may in humility accept the riches of knowing Christ in an intimate way. His love flows from deep attachment, gratitude, and having learned to hear His voice.

reader may come to better understand St. Paul who said, "I have been crucified with Christ and I no longer live, but Christ lives in me. " Galatians 2:20 NIV. Discover the Limitless Power of God's Name. Enjoy the expanded and updated editions of the bestselling "Lord" Bible Study Series from Kay Arthur. The "Lord" study series is an insightful, warm-hearted Bible study series designed to meet readers where they are and help them discover God's answers to their deepest needs. So much of our confusion and pain results because we don't know God -- who He really is, how He works in our lives. But with *Lord, I Want to Know You*, that will all change. When you know God more fully by studying His names -- Creator, Healer, Protector, Provider, and many others -- you will gain power to stand strong. You'll find strength for times of trial, comfort for pain, and provision for your soul's deepest needs. And your walk with God will be transformed. Kay Arthur guides you through the Scriptures in this deeply insightful study. Your daily time with God in His Word will introduce you to the limitless treasure available to every His child. And these are truths you can share easily with others, individually or in small groups. Redeemer. Healer. Provider. How will you encounter God today? Through Scripture, God reveals His complex character by identifying Himself by different names—names that shed light on who He is and how we should relate to Him. In this engaging book, the popular *Girlfriends in God* devotional team introduces you to those names, each of which invites you to glory in a different aspect of our amazing God. In each day's reading you'll encounter personal, inspiring stories and biblical truths that lead you to a deeper understanding of who God is and what He does on your behalf. You'll be fed with Scripture that you can apply to your unique circumstances. And it's important, as you come to know Him by name, you'll draw closer to God and learn to trust Him more fully. Perfect for personal study and for discussing with girlfriends, prayer partners, or small groups, this eight-week daily devotional features:

- a weekly guide to deeper study, reflection, and prayer
- creative ideas to help you apply new insights
- journaling pages
- a pronunciation guide for God's Hebrew and Greek names

Begin today with *Knowing God by Name*—and grow closer to the One who knows your name. "Knowing God by Name opens our eyes to the many facets of God's love and His mercy, letting us see Him more clearly and know Him more deeply." —Liz Curtis Lott, author of *The Girl's Still Got It* This book underscores the natural right of all humans to know God. Today, we are told that God is irrelevant to our livelihood and we do not pray to God for anything. This deception emanates from our lack of understanding of an all-powerful God. In this book, you will find insight into:

- Who God really is.
- How and why it is our right to know God.
- The benefits of knowing God for the individual, nation and the world as a Christian.
- How Science tells us more about God.
- How you can know God on a personal level and the stages of knowing God.
- How you can discover yourself in God and the blessed privileges we all have in Christ Jesus.
- And many more.

Usually, our understanding of God is too human and we end up misunderstanding Him and

subsequently missing out on knowing Him. This book is here to help you understand the true God who made you. As the grandson of Billy and Ruth Bell Graham, Tullian Tchividjian grew up hearing the Christian faith preached to millions. Yet he struggled to come to faith personally. His first book, *Do I Know God?* captures the sincerity and intensity of his own spiritual quest, and shows the way for a new generation of seekers. Combining careful thinking, warm personal story, and an exceptional grounding in biblical truths, Tullian delivers trustworthy answers to the questions you've been asking: ·Is it really possible to know God? ·Is being "spiritual" or "religious" the same thing as having a relationship with God? ·What is the relationship between faith and good works? ·How does believing God's promises assure me of salvation? ·How do my feelings for God affect my relationship with him? ·How can I trust that God is present when I feel only his absence? ·Can a relationship with God assure me of my future with him in eternity? *Do I Know God?* was written with a wide range of readers in mind: those outside the Christian faith, newer Christians who feel confused about their relationship with God, and long-time Christians who have never gotten clear on key questions like eternal security and assurance of salvation, faith and works. Tullian shows readers how to discover a genuine, vibrant and enduring relationship with God. And it all begins with the vital question: Do I Know God? The aphorisms collected in this book, first published in 1953, were composed by Patanjali, a great Indian sage, over 1,500 years ago, and here translated into clear English prose. The accompanying commentary interprets the sayings for the modern world, and in doing so gives a clear picture of what yoga is, what its aims are, and how it can be practised. "Our heavenly name of the Lord."--Psalm 124:8 In the Bible, God is called by many names. But what do they mean? And what do they reveal about Him? Can knowing these names bring you the comfort, hope or healing you are seeking? Through Bible teaching and personal anecdotes, bestselling author and beloved pastor David Wilkerson explores ten Hebrew names for God, showing how men and women throughout Scripture found strength and encouragement in the powerful name of the Lord. So can you! This life-changing book will help you know your heavenly Father on a heart-to-heart level, revealing His love, protection, care, discipline and loving guidance in your life. God has pledged to keep you, to give you His peace, to give you His Holy Spirit, to blot out all your sins and to replace them with His lovingkindness. Here is your invitation to experience each of these realities--in other words, to know God by name. A deeper and more intimate relationship with God is closer than you think. Have you ever felt as if something were missing from your life? Are you longing for a clearer sense of purpose? Do you feel stuck in a dead-end rut? In *What's Next?*, bestselling author Chris Hodges offers a practical guide to help those looking for clarity and direction and reveals the four steps to spiritual maturity: know God, find freedom, discover purpose, and make a difference. He demonstrates that each step is part of both a linear path and a cycle leading to deeper levels of faith.

Accessible and clear, concise and profound, no matter where you are in your journey. What's Next? is the guide you need to find your way and discover the joy that comes from walking the road of richer faith. "Goodness like a fetter." The hymn "Come Thou King of Kings" reminds us that God's laws were created to draw us closer to him. But reading the Bible can be intimidating. Deuteronomy is a long and ancient book full of speeches and laws for wandering people on the cusp of entering a land filled with hostile nations. What does Deuteronomy have to say for modern readers who face vastly different issues? M. Blaine Smith shows that Deuteronomy is simply about knowing God. The book is a portal, drawing people into the ancient presence of God. To understand God better, we need to understand Deuteronomy better. Rather than being a dusty book of ancient laws, Deuteronomy calls those who love God to know Him better, choose the path to follow, and flourish under His loving wisdom and guidance. God's laws bind our wandering hearts to Him. How can we discover God's will for the complicated decisions of time, money, relationships, education and career? How do we know which is best among a variety of "good" options? In this updated and substantially expanded edition, M. Blaine Smith shows how God unfolds his plan for our lives -- through the Bible, prayer, reason, and abilities, circumstances, desire and the counsel of others. He packs each chapter with stories which illustrate how he and other Christians have learned to make decisions that please God. Offers insight into the nature of God's heart by examining how he calls us to marriage, work, parenting, finance, and ministry, and encourages readers to assess how God appears in these and other areas of their lives. A study of God's attributes and their relevance to daily living. An updated edition with two all-new chapters, a new introduction, and a fresh look, this book challenges widely accepted ideas about what it means to know God and offers fresh paths for pursuing genuine spirituality. This practical guide speaks to those who are weary of formulaic faith or who are haunted by nagging doubts about the church, as well as those who find the traditional spiritual disciplines impractical or even agonizing because of their personal wiring. Easy to read but filled with challenging ideas, this book provides a spiritual foundation for pastors and teachers, committed Christians, and anyone interested in discovering God for themselves but wary of predictable paths. "Apart from God, you will never find the happiness you are searching for." - Greg Laurie Since their beginnings in 1990, Harvest Crusades have drawn more than three million people to venues throughout the United States, as well as Australia and New Zealand. At the cornerstone of Harvest Crusades are evangelistic messages by Greg Laurie, followed by an invitation to make a personal commitment to Jesus Christ. How to Know God features six of those messages, originally from Harvest Crusades held in 2004 and 2005. From the story of a convicted criminal's last minute conversion, to an explanation of the final judgment we all will face on earth, Greg Laurie brings relevance and insight into the truths of the Bible for today's generation. "A Bible study showing how knowing God should affect a believer's t

and daily life"--Provided by publisher. This book was especially written by Patricia and John for all young people who want to learn about God and get to know Him for themselves. Every chapter deals with a basic Christian belief and tackles some of the most searching questions the author was asked, including: Who is God and what is He like? Why is there so much suffering in the world? Wasn't I born a Christian? Does God care about me? Can I really know God? Through enjoyable real-life stories, prayer, and thought-provoking questions, the reader will discover what Christians believe and how a friendship with Jesus can mean in their lives. Do you really know God? You may know about God, but do you truly know what He says about Himself—and what He wants for you? This eye-opening study will help you gain a true understanding of God's character and His ways. As you discover for yourself who He is, you'll be drawn into a deeper, more personal relationship with the God of the universe—a relationship that will enable you to confidently display His strength in life's most challenging circumstances. Just 40 minutes a week could change your life! The 40-Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter most. These inductive study guides, designed to be completed in just six 40-minute lessons with no homework required, help you discover for yourself what God says and how it applies to your life today. With the leader's note and Bible passages included right in the text, each self-contained study is a powerful resource for personal growth and small-group discussion. This study guide provides twenty-two studies, one for each chapter of C. S. Lewis's classic *Knowing God*. Christians are all too familiar with the dichotomy between "being a Mary" (sitting at Jesus' feet) and "being a Martha" (being active in ministry). We have been told that before we can do, we first need to be. And that is true, and good. But it is insufficient. Before we can be, we first need to know. We need to know who God is (God's attributes) so that we can then be who we are intended to be by Christ. Only then should we seek to do what he has called and equipped us to do to bring glory. This book focuses on knowing God, in his many attributes, so that we can be conformed to his image, in order to do what he's called us to do to bring the glory of God to the world. Most Christians want to know God better but sometimes just don't know how to get started. As a result they are likely to flounder for a few years while going through their own struggles with life and after a while, might even feel beaten up and quit. The true journey of a mother-daughter team who searched God's Word daily and then applied those teachings to everyday life, sharing the words of a righteous and holy God. Their experiences and journey took them all the way from the jungles of the dark Amazon River to Rio Negro to the city of Lages, Brazil, and back up to the horse farms of Central Brazil. Each story is filled with adventure and a challenge to get to know our wonderful God. "Epic Families not only identifies a problem within today's church but presents practical suggestions that equip parents to raise kids who are passionate for Jesus and committed to that churches can partner with and empower parents in this mission. Definitely

worth the read!" - Rev. Allen Perdue Lead Pastor, Jersey Life Church Today's children are not raised in a bubble. Daily, they are bombarded with worldly wisdom and are tempted at earlier ages with things that would have stunned parents of previous generations. Epic Families strives to help parents reclaim their God-given mandate to raise their children to know and love Him. Developed through more than a decade of ministry experience as well as one-on-one coaching with parents and church staff, this book identifies ways that the church has taken over a role that was designed for parents. It offers suggestions to parents to help them confidently teach their children about God who made them, loves them, and wants a relationship with them, while also suggesting ways that churches can partner with parents, while not usurping their role. Epic Families can empower parents to inspire their children to trust God and make wise choices. In the busy and sometimes scary world we live in, parents need to intentionally showcase God's presence to their children and let Him permeate their lives. This book offers them a valuable resource to do that. For half a century, J. I. Packer's classic has helped Christians around the world discover the wonder, the glory, and the joy of knowing God. Now featured in the IVP Signature Collection, this thought-provoking work seeks to renew and enrich our understanding of God, bringing to us the joy of knowing about God and knowing God through a close relationship with Jesus Christ. "God's will" may seem mysterious, but the Bible lays out many clear guidelines for how to know God's will. How to Know God's Will explains both its general and personal aspects. New from the author of the best-selling How to Study Your Bible and The Ten Commandments and Now, this book covers the topic in six clear, easy-to-read chapters: Understanding God's Will, Jesus and God's Will, Christian Living and God's Will, Discovering God's Will, Suffering and God's Will, and My Will and God's Will. Offering clear Bible teaching and practical encouragement, How to Know God's Will is an ideal book for both personal and group study. Most Christians want to know God better but sometimes just don't know how to get started. As a result they are likely to flounder for a time while going through their own struggles with life and after a while, might even get beaten up and quit. Join the true journey of a mother-daughter team who searched the Word daily and then applied those teachings to everyday life, sharing the words of righteous and holy God. Their experiences and journey took them all the way from the jungles of the dangerous Rio Negro to the city of Lages, Brazil, and back up to the farms of Central Florida. Each story is filled with adventure and a challenge to grow and know our wonderful God! True religion confronts earth with heaven and brings earth to bear upon time. The messenger of Christ, though he speaks from God, must address the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak in a language known only to himself. His message must be not only timeless but timely; it must speak to his own generation. The message of this book does not grow out of time but it is appropriate to them. It is called forth by a condition which has ex-

the Church for some years and is steadily growing worse. I refer to the loss of concept of majesty from the popular religious mind. The Church has surrendered once lofty concept of God and has substituted for it one so low, so ignoble, as utterly unworthy of thinking, worshipping men. This she has done not deliberately little by little and without her knowledge; and her very unawareness only makes situation all the more tragic. Here is a daily guide through one of the most treasured books of Christian spirituality: J. I. Packer's Knowing God. Each day you'll read a Scripture and a brief passage about the glory and joy of being in relationship with Him. An idea at the end of each day's reading will help you to respond to God in prayer and reflection. You go to church, you read the Bible, you participate in small groups—you truly know God? God gives every Christian the tools for an active relationship with Him, but many don't yet experience His presence in their daily lives. Dr. Tony Evans understands that the only way to deeply know God is to make seeking Him your greatest purpose. In The Power of Knowing God, he shares how you can prioritize Him over all else—and how doing so will transform you from the inside out. Your relationship with the Lord can be more than intellectual knowledge, warm and fuzzy feelings, and dutiful acts of service. As you begin to understand Him personally, you will... experience soul-deep closeness with God practice relying on God instead of yourself find your identity and purpose in belonging to Him The Power of Knowing God will remind you that God wants you to be more than His acquaintance, His student, or His fan, and inspire you to dive headfirst into the pursuit of a life-changing relationship with your Savior.
