Through a series of poems, a young girl chronicles the life-changing year of

1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama. I have asked permission to dedicate this book to you not only in memory of the happy evenings I have spent with you in Saigon over the last five years, but also because I have quite shamelessly borrowed the location of your flat to house one of my characters, and your name, Phuong, for the convenience of readers because it is simple, beautiful and easy to pronounce, which is not true of all your country- women ' s names. You will both realise I have borrowed little else, certainly not the characters of anyone in Viet Nam. Pyle, Granger, Fowler, Vigot, Joe— these have had no originals in the life of Saigon or Hanoi, and General The is dead : shot in the back, so they say. Even the historical events have been rearranged. For example, the big bomb near the Continental preceded and did not follow the bicycle bombs. I have no scruples about such small changes. This is a story and not a piece of history, and I hope that as a story about a few imaginary characters it will pass for both of you one hot Saigon evening. John Vanvorden--the Flying Dutchman--is a Vietnam pilot and one of the rugged few who know the danger and thrill of combat while piloting the U.S. Army's UH-1H "Huey" Iroquois helicopter. He experiences screaming descents into hot landing zones to place military assault troops and rescue wounded soldiers. He has the clarity of mind to survive seven days of horror in a Vietnamese jungle swamp while the psychology of a fellow soldier is severely tested. He's got the guts to buck military orders and battle his own brass to pursue an investigation when a botched operation spells disaster for the men under him. Based on the authors' personal experiences in the Vietnam War, Huey is an authentic, action-filled book of historical fiction. Originally published 30 years ago, this moving novel became a New York Times bestseller within days of publishing. Editorial Reviews "Those who have read the classic book of helicopter combat in Vietnam, "Chickenhawk" by Robert Mason, but who still have an appetite for more books of that sort can do no better than to read this novel." - "The VVA Veteran," Books in Review II Book Excerpt: From eight thousand feet, the Flying Dutchman flew his chopper into a nose-high attitude and peeled off into a single-ship approach. His passengers were looking straight down at the ground from the open doorway. Before anyone could blink, they were diving toward the ground at four thousand feet a minute, about as fast as a helicopter can come out of the sky with its main rotor still attached. The 12.7's opened up. Tracer rounds looked like basketballs zooming by. The supersonic bullets

popped as they passed, breaking the sound barrier. When a bullet found its mark, it smacked the ship like a baseball bat. As soon as the troops on the ground had hefted the two critical cases into each side, John blasted out low level, taking fire from the ground. He knew the Huey didn't have long before it became battered magnesium. . . . The author recounts his years in Vietnam as a conscientious objector, serving as a teacher and a rescue worker for an organization that sent children with war injuries to the United States. What happened to the people who remained in the former South Vietnam after the war ended in April 1975? Few of us know. The war-weary United States had turned its attention away from the region, and the Communist leadership closed Vietnam to Western journalists. For more than a decade, little was heard, but retribution against the South Vietnamese was swift and unending. Hundreds of thousands of former South Vietnamese military officers were sent to Reeducation Camps. Expecting a confinement of just ten days, most were incarcerated for years, suffering brutality, starvation and death. The families of prisoners had property and savings confiscated. They were denied jobs and medical care. They lived in poverty. Ultimately, nearly a million Boat People chose to escape Vietnam by sea, taking their chances in fragile overcrowded vessels. Thousands died at the hands of pirates and the unforgiving ocean. This is the true story of Quoc Pham, a former South Vietnamese naval officer, and his wife Kim-Cuong. It tells of the love between a man and a woman and their courage in the face of hopelessness. It is a story of a people of what happened in Vietnam while the world looked away. Chronicles how the communists won the Vietnam War by placing their trust in the most reliable tool of warfare the individual soldier. John Laurence covered the Vietnam war for CBS News from 1965 to 1970 and was judged by his colleagues to be the best television reporter of the war. His documentary about a squad of U.S. troops, "The World of Charlie Company," received every major award for broadcast journalism. Despite the professional acclaim, however, the traumatic stories Laurence covered became a personal burden that he carried long after the war was over. In this evocative, unflinching memoir, laced with humor, anger, love, and the unforgettable story of M é o, the Vietnamese cat, Laurence recalls coming of age during the war years as a journalist and as a man. Along the way, he clarifies the murky history of the war and the role that journalists played in altering its course. The Cat from Hu é has earned passionate acclaim from

many of the most renowned journalists and writers about the war, as well as from military officers and war veterans, book reviewers, and readers. Now available in trade paperback with a new epilogue, this book will stand with Michael Herr's *Dispatches*, Philip Caputo's *A Rumor of War*, and Neil Sheehan's *A Bright, Shining Lie* as one of the best books ever written about Vietnam—and about war generally. One of the most acclaimed books of our time—the definitive Vietnam War exposé and the winner of the Pulitzer Prize and the National Book Award. When he came to Vietnam in 1962, Lieutenant Colonel John Paul Vann was the one clear-sighted participant in an enterprise riddled with arrogance and self-deception, a charismatic soldier who put his life and career on the line in an attempt to convince his superiors that the war should be fought another way. By the time he died in 1972, Vann had embraced the follies he once decried. He died believing that the war had been won. In this magisterial book, a monument of history and biography that was awarded the National Book Award and the Pulitzer Prize for Nonfiction, a renowned journalist tells the story of John Vann—"the one irreplaceable American in Vietnam"—and of the tragedy that destroyed a country and squandered so much of America's young manhood and resources.

Fiction! Named one of the most anticipated books of 2019 by Vulture, Entertainment Weekly, BuzzFeed, Los Angeles Times, Boston Globe, Oprah.com, Huffington Post, The A.V. Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more. “A lyrical work of self-discovery that’s shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning.” –Ron Charles, The Washington Post

Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling. *On Earth We’re Briefly Gorgeous* is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family’s history that began before he was born – a history whose epicenter is rooted in Vietnam – and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We’re Briefly Gorgeous* is as much about the power of telling one’s own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more! A “gripping historical adventure” of ancient Vietnam based on the true story of two warrior sisters who raised an army of women to overthrow the Han Chinese and rule as kings over a united people, for readers of *Circe* and *The Night Tiger* (Booklist). Gather around, children of Chu Dien, and be brave. For even to listen to the story of the Trung Sisters is, in these troubled times, a dangerous act. In 40 CE, in the Au Lac region of ancient Vietnam, two daughters of a Vietnamese Lord fill their days training, studying, and trying to stay true to Vietnamese traditions. While Trung Trac is disciplined and

wise, always excelling in her duty, Trung Nhi is fierce and free spirited, more concerned with spending time in the gardens and with lovers. But these sister's lives—and the lives of their people—are shadowed by the oppressive rule of the Han Chinese. They are forced to adopt Confucian teachings, secure marriages, and pay ever increasing taxes. As the peoples' frustration boils over, the country comes ever closer to the edge of war. When Trung Trac and Trung Nhi's father is executed, their world comes crashing down around them. With no men to save them against the Han's encroaching regime, they must rise and unite the women of Vietnam into an army. Solidifying their status as champions of women and Vietnam, they usher in a period of freedom and independence for their people. Vivid, lyrical, and filled with adventure, *The Bronze Drum* is a true story of standing up for one's people, culture, and country that has been passed down through generations of Vietnamese families through oral tradition. Phong Nguyen's breathtaking novel takes these real women out of legends and celebrates their loves, losses, and resilience in this inspirational story of women's strength and power even in the face of the greatest obstacles. Details the Australian campaign through Vietnam, the difficulties troops faced from not only the enemy but Allied forces, and looks at newly found reports that reflect on operational performance and tactical thinking.

CRACKER IS ONE OF THE UNITED STATES ARMY'S MOST VALUABLE WEAPONS: a German shepherd trained to sniff out bombs, traps, and the enemy. The fate of entire platoons rests on her keen sense of smell. She's a Big Deal, and she likes it that way. Sometimes Cracker remembers when she was younger, and her previous owner would feed her hot dogs and let her sleep in his bed. That was nice, too. Rick Hanski is headed to Vietnam. There, he's going to whip the world and prove to his family and his sergeant -- and everyone else who didn't think he was cut out for war -- wrong. But sometimes Rick can't help but wonder that maybe everyone else is right. Maybe he should have just stayed at home and worked in his dad's hardware store. When Cracker is paired with Rick, she isn't so sure about this new owner. He's going to have to prove himself to her before she's going to prove herself to him. They need to be friends before they can be a team, and they have to be a team if they want to get home alive. Told in part through the uncanny point of view of a German shepherd, *Cracker!* is an action-packed glimpse into the Vietnam War as seen through the eyes of a dog and her handler. It's an utterly unique powerhouse of a book by the

Newbery Medal-winning author of *Kira-Kira*. The affecting autobiography of a small-town sportswriter drafted into Suicide Charlie--the bastard U.S. Army infantry company that fought in the hot zones of Vietnam where the combat was the bloodiest. Kirkus Reviews called it "probing, painful At times as piercing as a splinter in the soul". A work that has served as a literary cornerstone for the Vietnam generation, *The 13th Valley* follows the strange and terrifying Vietnam combat experiences of James Chelini, a telephone-systems installer who finds himself an infantryman in territory controlled by the North Vietnamese Army. Spiraling deeper and deeper into a world of conflict and darkness, this harrowing account of Chelini's plunge and immersion into jungle warfare traces his evolution from a semipacifist to an all-out warmonger. The seminal novel on the Vietnam experience, *The 13th Valley* is a classic that illuminates the war in Southeast Asia like no other book. The fifteen eyewitness commentaries on U.S. naval operations in Vietnam that form the core of this essay collection represent the first serious attempts to describe the naval side of the war. *Brother against Brother*, brings to mind the War Between the States. World War One, was called the War to End All Wars, and the Great War, until the Big One. World War Two. The Forgotten War? Korea. Yet, never to be forgotten is Viet Nam, the Hated War. In spite of cries for peace and love, Viet Nam became the war fought in living rooms across America. The mid 1960 ' s saw the beginning of changes in attitudes that would trigger social unrest. Two people, one love, separated by time and distance with a despised war on one side, and growing protests to make love, not war on the other. The epistolary *War Written Words* is in the form of a series of letters exchanged by the characters, Jeff and Beth Madison during his tour of duty in South East Asia, with the exception of the three chapters at the end. In this debut story collection, the first by a woman who served in Vietnam, Susan O'Neill offers a remarkable, unprecedented glimpse into the war from a female perspective. Reveals Kennedy's plans for Vietnam, Kennedy's intentions to "shatter the CIA," and President Johnson's reversal of Kennedy's orders concerning Vietnam immediately following the assassination, arguing that the assassination was a professionally executed coup d'etat. The true story of the final days of the Vietnam War from the author of *Marine Sniper*. Culled from extensive interviews and research, *Goodnight Saigon* is the aching dramatic story of the end of the Vietnam War as told from both sides of the conflict. Included are never-before-revealed accounts from

people of every level involved in the war: NVA and Viet Cong soldiers, U.S. embassy personnel, guerilla commanders, civilians, generals, double agents? and leaders from both sides including former president Gerald Ford and North Vietnamese military commander General Tran Van Tra. From the first hints of the final offensive from the north, to the gut-wrenching hours before the fall of Saigon when a brave pilot defied his orders to return to base and rescued the last five Marines from the rooftop of the U.S. embassy, *Goodnight Saigon* is an unforgettable narrative of war, and those who live with its aftermath. Winner: American Society of Journalists and Authors Outstanding Book Award, General Nonfiction, 2006

Shot down and wounded in action, Craig Roberts survived against fantastic odds in the sultry jungles of Vietnam, receiving ten decorations. His memoir is a story of extraordinary challenges met for honor, freedom, and the Corps. Reissue. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O' Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award. The sequel to *Marine Sniper: 93 Confirmed Kills* continues the story of U.S. Marine Corps sniper Carlos Hathcock and his accomplishments as a veteran of the Vietnam War, detailing his most difficult and dangerous missions. Reprint. A must-have commemorative volume that presents material from the classic illustrated history *The Vietnam Experience*, now anthologized for the 50th anniversary of the war. When it was originally published, the twenty-five-volume *Vietnam Experience* offered the definitive historical perspectives of the Vietnam War from some of the best rising authors on the conflict. This new and reimagined edition updates the war on the fifty years that have passed since the war's initiation. The official successor to the Pulitzer

Prize-nominated set, *The American Experience in Vietnam* combines the best serious historical writing about the Vietnam War with new, never-before-published photos and perspectives. New content includes social, cultural, and military analysis; a view of post 1980s Vietnam; and contextualizing discussion of U.S involvement in the Persian Gulf, Iraq, and Afghanistan. Even if you own the original, *The American Experience in Vietnam* is a necessary addition for any modern Vietnam War enthusiast. "Partridge proves once again that nonfiction can be every bit as dramatic as the best fiction."* America's war in Vietnam. In over a decade of bitter fighting, it claimed the lives of more than 58,000 American soldiers and beleaguered four US presidents. More than forty years after America left Vietnam in defeat in 1975, the war remains controversial and divisive both in the United States and abroad. The history of this era is complex; the cultural impact extraordinary. But it's the personal stories of eight people—six American soldiers, one American military nurse, and one Vietnamese refugee—that create the heartbeat of *Boots on the Ground*. From dense jungles and terrifying firefights to chaotic helicopter rescues and harrowing escapes, each individual experience reveals a different facet of the war and moves us forward in time. Alternating with these chapters are profiles of key American leaders and events, reminding us of all that was happening at home during the war, including peace protests, presidential scandals, and veterans' struggles to acclimate to life after Vietnam. With more than one hundred photographs, award-winning author Elizabeth Partridge's unflinching book captures the intensity, frustration, and lasting impacts of one of the most tumultuous periods of American history.

*Kirkus Reviews, starred review of *Marching for Freedom* It was 1969. War and protest rattled the nation while the troops marched on. The warships set sail. For coming-of-age American boys, death seemed one hill away. By then, nearly 300 of them were coming home in boxes each week. They were young men caught in a war machine, one of chance, circumstance, and misfortune. In a tragedy of just the same, lost in the turmoil of what would become America's most unpopular war, lies a story buried 1,100 fathoms deep in the blue waters off Vietnam. In the middle of a dark night off the coast of Vietnam on June 3, 1969, the USS Frank E. Evans is rammed by a ship ten times her size, sending her forward half to the bottom of the South China Sea and into oblivion. Seventy-four Americans are killed in this mysterious collision. Three brothers from a small town in Nebraska

are gone, as is the son of a chief who barely survived. Only one body is ever found. The truth is confined to a footnote of the Vietnam War. Buried in obscurity even today, as the 74 names of those killed are not on the Vietnam Wall in Washington, D.C. In *American Boys*, journalist Louise Esola has uncovered and assembled a powerful rebuttal, putting the ship and her men in the time and place that was Vietnam. Groundbreaking and astonishing in scope and intimate details, *American Boys* is a story of heartbreak and perseverance. It's the story of a shattering injustice, of love and healing, and of a great generation of those who fought and lost yet vowed to never forget, though their nation has. "One of the most important books of Vietnamese American and Vietnam War literature...Moving, powerful." –Viet Thanh Nguyen, Pulitzer Prize-winning author of *The Sympathizer*

In these pages, Le Ly Hayslip—just twelve years old when U.S. helicopters landed in her tiny village of Ky La—shows us the Vietnam War as she lived it. Initially pressed into service by the Vietcong, Le Ly was captured and imprisoned by government forces. She found sanctuary at last with an American contractor and ultimately fled to the United States. Almost twenty years after her escape, Le Ly found herself inexorably drawn back to the devastated country and loved ones she'd left behind, and returned to Vietnam in 1986. Scenes of this joyous reunion are interwoven with the brutal war years, creating an extraordinary portrait of the nation, then and now—and of one courageous woman who held fast to her faith in humanity. First published in 1989, *When Heaven and Earth Changed Places* was hailed as an instant classic. Now, some two decades later, this indispensable memoir continues to be one of our most important accounts of a conflict we must never forget. This riveting novel of love and mystery from the author of *The Things They Carried* examines the lasting impact of the twentieth century's legacy of violence and warfare, both at home and abroad. When long-hidden secrets about the atrocities he committed in Vietnam come to light, a candidate for the U.S. Senate retreats with his wife to a lakeside cabin in northern Minnesota. Within days of their arrival, his wife mysteriously vanishes into the watery wilderness. National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and

emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Lynda Van Devanter tells of joining the Army as a nurse in 1969 and working for a year in Vietnam, and of the effects of the experience on her life. *Once upon a time there was a war . . . and a young American who thought of himself as the Quiet American and the Ugly American, and who wished to be neither, who wanted instead to be the Wise American, or the Good American, but who eventually came to witness himself as the Real American and finally as simply the Fucking American. That's me.* This is the story of Skip Sands—spy-in-training, engaged in Psychological Operations against the Vietcong—and the disasters that befall him thanks to his famous uncle, a war hero known in intelligence circles simply as the Colonel. This is also the story of the Houston brothers, Bill and James, young men who drift out of the Arizona desert into a war in which the line between disinformation and delusion has blurred away. In its vision of human folly, and its gritty, sympathetic portraits of men and women desperate for an end to their loneliness, whether in sex or death or by the grace of God, this is a story like nothing in our literature.

Tree of Smoke is Denis Johnson's first full-length novel in nine years, and his most gripping, beautiful, and powerful work to date. *Tree of Smoke* is the 2007 National Book Award Winner for Fiction. Australian journalist gives a sympathetic account of Viet Cong 'National Liberation Movement' guerilla warfare, based on personal experiences during 1963-64. Winner of the 2016 Pulitzer Prize for Fiction

Winner of the 2016 Edgar Award for Best First Novel Winner of the 2016 Andrew Carnegie Medal for Excellence in Fiction “[A] remarkable debut novel” –Philip Caputo, New York Times Book Review (cover review) The winner of the Pulitzer Prize for Fiction, as well as seven other awards, *The Sympathizer* is one of the most acclaimed books of the twenty-first century. With the pace and suspense of a thriller and prose that has been compared to Graham Greene and Vladimir Nabokov, *The Sympathizer* is a sweeping epic of love and betrayal. The narrator, a communist double agent, is a “man of two minds,” a half-French, half-Vietnamese army captain who comes to America after the Fall of Saigon, and while building a new life with other Vietnamese refugees in Los Angeles is secretly reporting back to his communist superiors in Vietnam. *The Sympathizer* is a blistering exploration of identity and America, a gripping spy novel, and a powerful story of love and friendship. In 1970, John Kowalski is one of many young, naive teenage soldiers sent to Vietnam to fight in an unpopular war. Dubbed “Cherries” by their more seasoned peers, these newbies suddenly found themselves thrust into the middle of a terrible nightmare - literally forced to become men overnight. On-the-job-training is intense, however, most of these teenagers were hardly ready to absorb the harsh mental, emotional, and physical stress of war. When coming under enemy fire for the first time and witnessing death first-hand, a life changing transition begins...one that can't be reversed. The author is an excellent story teller, readers testify that they are right there with the characters, joining them in their quest for survival, sharing the fear, awe, drama, and sorrow, witnessing bravery and sometimes, even laughing at their humor. It's a story that is hard to put down. When soldiers return home from war, all are different - changed for life. "Cherries" tells it like it is and when finished, readers will better understand what these young men had to endure, and why change is imminent.
