[No Rest for the Wicked](#) Jun 15 2022 New York Times and USA TODAY bestselling author Kresley Cole delivers a scorching tale about a foreboding vampire who lives in the shadows—and the beautiful assassin determined to hunt him down—in the “sensational” (RT Book Reviews) second novel of the Immortals After Dark series. Centuries ago, Sebastian Wroth was turned into a vampire against his will. Burdened with hatred and alone for ages, he sees little reason to live. Until an exquisite, fey creature comes to kill him, inadvertently saving him instead. When Kaderin the Cold Hearted lost her two beloved sisters to a vampire attack long ago, a benevolent force deadened her sorrow—accidentally extinguishing all of her emotions. Yet whenever Kaderin encounters Sebastian, her feelings—particularly lust—emerge multiplied. For the first time, she’s unable to complete a kill. And when the prize of a legendary month-long contest is powerful enough to change history, Kaderin will do anything to win it for her sisters. Wanting only to win her, forever, Sebastian competes as well, taking every opportunity—as they travel to ancient tombs and through catacombs, seeking relics around the world—to use her new feelings to seduce her. But when Kaderin is forced to choose between the vampire she’s falling for and reuniting her family, how can she live without either?

[Sunglasses After Dark](#) Sep 25 2020 A half-human, half-vampire hunts the bloodsucker who bit her in this “compelling” Bram Stoker Award-winning debut (Publishers Weekly). One spring night in London, heiress Denise Thorne disappears while partying at a nightclub, never to be seen again. That very same night, Sonja Blue, a tough-as-nails punk vampire/vampire-slayer, conceived in terror and blood, is borne from the city’s gutters. Saved by modern medicine before she could die, she is a living vampire who still possesses a soul and is determined to fight for what remains of her humanity. In the years since her bizarre resurrection, Sonja Blue travels the globe, hunting down and disposing of those creatures that prey on the innocent while searching for the vampire Noble who created her. But when she investigates a sleazy televangelist named Catherine Wheele, who is exploiting Denise Thorne’s parents, Sonja finds herself up against a powerful inhuman adversary. But as dangerous as Catherine Wheele proves to be, Sonja’s greatest foe remains the Other, the demonic personality with whom she is locked in a constant battle for control of their shared body. Can Sonja Blue overcome her inner demon in time to rescue an innocent man from Catherine Wheele’s unholy clutches? Acknowledged as one of the first Urban Fantasy novels, [Sunglasses After Dark](#) burst onto the fantasy/horror scene in 1989, garnering widespread critical praise and winning the Horror Writers Association’s coveted Bram Stoker Award, as well as the British Fantasy Society’s Icarus Award. New edition: Revised and edited by the author.

[Sun After Dark](#) Dec 17 2019 One of the best travel writers now at work in the English language brings back the sights and sounds from a dozen different frontiers. A cryptic encounter in the perfumed darkness of Bali; a tour of a Bolivian prison, conducted by an enterprising inmate; a nightmarish taxi ride across southern Yemen, where the men with guns may be customs inspectors or revolutionaries – these are just three of the stops on Pico Iyer’s latest itinerary. But the true subject of [Sun After Dark](#) is the dislocations of the mind in transit. And so Iyer takes us along to meditate with Leonard Cohen and talk geopolitics with the Dalai Lama. He navigates the Magritte-like landscape of jet lag, “a place that no human had ever been until forty or so years ago.” And on every page of this poetic and provocative book, he compels us to redraw our map of the world.

The After Dark Collection Feb 23 2023 A delicious collection of the enticing books *The Engagement Gift*, *The Virgin Gift*, and *The Decadent Gift*! *The Engagement Gift*... Some fantasies are better left unsaid. Besides, I don't need to act on every wild thought that flits through my imagination, not when my fiancé and I have the kind of life I've always longed for -- passionate, intimate and oh so real. I can't risk losing him, so I focus on building our life together as a couple. But the more insistent my thoughts become, the closer I get to telling him what I want most... *** *The Virgin Gift* I might still carry my V-card, but I know exactly what I want in a man. Smart, charming and oh-so-skilled. Too bad I haven't found him yet. But maybe he's found me. Because when my charming, laid-back, next-door neighbor discovers a secret list I keep, he volunteers to work through every single item on it. Including the last one -- at the end, we walk away and stay friends. I say yes to his offer, and that's when I discover another side to him. A side I adore. A side I crave. He's commanding, intense, and everything I've ever wanted. But as we check things off one by one, I find myself breaking the most important rule of all. And I have no idea what it will do to my heart. *** *The Decadent Gift* The rules of the game were simple. One weekend. We play our roles. Actually, we play lots of roles. I get the info I need for a secret work project. We go back to how we were. That's what I proposed to handsome, clever, commanding Jake. That's what he said yes to — this decadent gift of a weekend that would get me out of trouble. But that's not what happened when our nights together in Vegas ended . . .

After Dark May 22 2020 After Dark explores the experience of nighttime within ancient urban settings. Contributors present material evidence related to how ancient people manipulated and confronted darkness and night in urban landscapes, advancing our knowledge of the archaeology of cities, the archaeology of darkness and night, and lychnology (the study of ancient lighting devices). Sensory archaeology focuses on the sensual experience of the nocturnal environment—the sights, sounds, smells, tastes, and feel of an ancient city—and the multi-faceted stimuli that diverse urban populations experienced in the dark. Contributors investigate night work—for example, standing guard or pursuing nocturnal trades—and nightlife, such as gambling at Chaco Canyon. They also examine how urban architecture, infrastructure, and the corresponding lighting were inextricably involved in enabling nighttime pursuits and signaling social status. The subjects of the night, darkness, and illumination taken together form a comprehensive framework for analyzing city life. After Dark embraces night as a conceptual lens through which to view the material and visual cultures of the ancient world and, in doing so, demonstrates a wealth of activities, behaviors, and beliefs that took place between dusk and dawn. This perspective greatly enriches the understanding of urban life and its evolution and has much to offer archaeologists in deepening an examination of complexity and inequality. This volume will be of interest to any scholar or student of the past who is interested in urban activities and the significance of the night in urban settings. Contributors: Susan M. Alt, J. Antonio Ochatoma Cabrera, Martha Cabrera Romero, Tiffany Earley-Spadoni, Kirby Farrah, Nancy Gonlin, Anna Guengerich, Christopher Hernandez, John Janusek, Kristin V. Landau, Maggie L. After Dark Jun 03 2021 "I must also gratefully acknowledge an obligation of another kind to the accomplished artist, Mr. W. S. Herrick, to whom I am indebted for the curious and interesting facts on which the tales of "The Terribly Strange Bed" and "The Yellow Mask" are founded. Although the statement may appear somewhat superfluous to those who know me, it may not be out of place to add, in conclusion, that these stories are entirely of my own imagining, constructing, and writing. The fact that the events of some of my tales occur on foreign ground, and are acted out by foreign personages, appears to have suggested in some quarters the inference that the stories themselves might be of foreign origin. Let me, once for all, assure any readers who may honor me with their attention, that in this, and in all other cases, they may depend on the genuineness of my literary offspring. The little children of my brain may be weakly enough, and may be sadly in want of a helping hand to aid them in their first attempts at walking on the stage of this great world; but, at any rate, they are not borrowed children. The members of my own literary family are indeed increasing so fast as to render the very idea of borrowing quite out of the question, and to suggest serious apprehension that I may not have done adding to the large book-population, on my own sole responsibility, even yet." -- Wilkie Collins * Included in this volume are "A Terribly Strange Bed," "A Stolen Letter," "Sister Rose," "The Lady of Glenwith Grange," "Gabriel's Marriage," and "The Yellow Mask."

Light after Dark III Nov 20 2022 Light after Dark III: The Mathematics of Gravity and Quanta proves the most important results described in Light after Dark II, from fundamental principles, as elegantly as possible and with the minimum of verbiage. This is a first principles account of the mathematical structure of modern theoretical physics, showing that it is not just a disparate bunch of algorithms and procedures, but is a unified structure based on observation, sound principles and solid logic, and allowing a unique physical interpretation in terms of fundamental constituents, or particles. Light after Dark III: The Mathematics of Gravity and Quanta explains essential mathematics at undergraduate level. Part I covers many core topics in a mathematics degree. Part II is a concise account of results in relativity, including the Lorentz transform from first principles, Riemann curvature, Einstein's equation, derivations of the Schwarzschild and Friedmann solutions, and proofs of key results. Part III contains the mathematical foundations of relativistic quantum mechanics and constructs quantum electrodynamics. Divergence problems are treated with greater rigour than usual in theoretical physics, but without excessive formality. Classical electromagnetism is derived from fundamental principles. Part IV shows how quantum electrodynamics and general relativity can be described in a single structure. Light after Dark III: The Mathematics of Gravity and Quanta will interest students of mathematics and students of physics and philosophy with a mathematical leaning who are seeking a rigorous treatment and deeper mathematical insight into physical theory.

British Virgin Islands Alive! Jan 18 2020 Here is the best guide to these sparsely populated islands. Largely untouched by tourism, they have few high-rise hotels, no time-share condos, no casinos. What they do have is unparalleled beauty, with small picturesque hotels set on beachfronts, in ancient fortresses, in the ruins of sugar mills and on lush mountainsides. On the island of Virgin Gorda, there is Little Dix Bay Resort, built by Laurance Rockefeller; Peter Island Resort occupies another island in its entirety. Among the other islands are Tortola, Anegada, Jost Van Dyke and Beef. The sailing here cannot be beaten and boats gather.

After Dark Nov 08 2021 Gone, But Not Forgotten rocketed Phillip Margolin into the select company of million-selling novelists. Here he displays again the same genius for best-selling suspense in another intricate, breathtaking thriller of multiple murder in the legal community of the Pacific Northwest. Laura Rizzati, a law clerk for Oregon Supreme Court Justice Robert Griffen, is found slain late one night in the deserted courthouse. Her office is ransacked—but nothing seems to be missing. There are no suspects and no clues. The following month Griffen himself is killed by a car bomb in the driveway of his Portland home. This time, though, there is a suspect: in a shocking turn of events, Abigail Griffen, star prosecutor in the Multnomah County District Attorney's office

and estranged wife of Justice Griffen, is charged with first degree murder. With the same gripping suspense that drove *Gone, But Not Forgotten* onto the bestseller lists, this is a complex legal thriller with a truly startling ending.

Unspoken Aug 17 2022 In her new role as an elite paranormal investigator, Della Tsang is assigned a twenty-year-old murder case where the prime suspect is her father.

Fire After Dark Aug 05 2021 A story that will captivate, exhilarate and intoxicate you like no other. Perfect for those who loved E. L. James' bestselling *Fifty Shades of Grey* but were left wanting more.

After Dark Oct 07 2021 A short, sleek novel of encounters set in the witching hours of Tokyo between midnight and dawn, and every bit as gripping as Haruki Murakami's masterworks *The Wind-Up Bird Chronicle* and *Kafka on the Shore*. At its center are two sisters: Yuri, a fashion model sleeping her way into oblivion; and Mari, a young student soon led from solitary reading at an anonymous Denny's into lives radically alien to her own: those of a jazz trombonist who claims they've met before; a burly female "love hotel" manager and her maidstaff; and a Chinese prostitute savagely brutalized by a businessman. These "night people" are haunted by secrets and needs that draw them together more powerfully than the differing circumstances that might keep them apart, and it soon becomes clear that Yuri's slumber — mysteriously tied to the businessman plagued by the mark of his crime — will either restore or annihilate her. *After Dark* moves from mesmerizing drama to metaphysical speculation, interweaving time and space as well as memory and perspective into a seamless exploration of human agency — the interplay between self-expression and understanding, between the power of observation and the scope of compassion and love. Murakami's trademark humor, psychological insight, and grasp of spirit and morality are here distilled with an extraordinary, harmonious mastery. "Eyes mark the shape of the city. Through the eyes of a high-flying night bird, we take in the scene from midair. In our broad sweep, the city looks like a single gigantic creature — or more, like a single collective entity created by many intertwining organisms. Countless arteries stretch to the ends of its elusive body, circulating a continuous supply of fresh blood cells, sending out new data and collecting the old, sending out new consumables and collecting the old, sending out new contradictions and collecting the old. To the rhythm of its pulsing, all parts of the body flicker and flare up and squirm. Midnight is approaching, and while the peak of activity has indeed passed, the basal metabolism that maintains life continues undiminished, producing the basso continuo of the city's moan, a monotonous sound that neither rises nor falls but is pregnant with foreboding." —from *After Dark*

Devilish Deal Jul 16 2022 Last month, I was living out of my car. Now, I'm couch-surfing in Brooklyn. It's about as glamorous as it sounds. All I've got are some bad memories, an empty bank account, and a pigeon I named Hendrix. So, when a mysterious, sinfully hot man offers me a deal, I have no choice but to accept. I'll pretend to be his live-in girlfriend for a month. In exchange, he'll give me a job at his exclusive club in Hell's Kitchen. Only problem is, there's way more to Asmodeus than meets the eye. He's a literal demon. Like, from the underworld. He's rude, dangerous, and probably a killer. But if I break my deal with him, I'll lose my soul. Fortunately, it's just a month. A month of heated stares and fake kisses that feel all too real. My soul-and my body-can totally survive this...right?

After Dark May 02 2021 Welcome to Harmony—where the rules are a little different. Life is tough these days for Lydia Smith, licensed para-archaeologist. Seriously stressed-out from a nasty incident in an alien tomb, she is obliged to work part-time in Shrimpton's House of Ancient Horrors, a very low-budget museum. She has a plan to get her career back on track, but it isn't going well. Stuff keeps happening. Take the dead body that she discovered in one of the sarcophagus exhibits. Who needed that? Finding out that her new client, Emmett London, is one of the most dangerous men in the city isn't helping matters either. And that's just today's list of setbacks. Here in the shadows of the Dead City of Old Cadence, things don't really heat up until *After Dark*. Includes a preview of Jayne Castle's *Rainshadow* Novel *DECEPTION COVE*
