This program provides a behind-the-scenes look at Washington never before available in any government program. Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever. Presents relevant standards-based content that targets student interest to stimulate and encourage learning. Includes case studies, thought-provoking questions, and simulations, and develops 21st century skills in students so that they can apply what they learn and participate as effective and responsible citizens.--Publisher. American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Changes made in American Government 2e are described in the preface to help instructors transition to the second edition. The first edition of American Government by OpenStax is available in web view [here](#). American Civics and Government provides the framework students need for a strong understanding of the government of the United States. Distinguished by its myth vs. reality framework, AMERICAN GOVERNMENT, 9E encourages students to confront their preconceptions about American government and to think critically about the U.S. political system. Up-to-date content addresses issues such as the media, public opinion, the Supreme Court, domestic and international policy, education and environmental policies, and economic and social welfare. The Ninth Edition features full coverage of the groundbreaking 2008 elections. This program offers comprehensive resources for both instructors and students. As part of the Student Choice series, the AMERICAN GOVERNMENT Ninth Edition has been fully redesigned with pedagogical features such as section summaries and CheckPoint questions to help students understand material; a marginal glossary; and Focus Question Reviews that provide a point-by-point summaries of each chapter's main ideas, to engage students and to help those readers who may struggle with reading comprehension. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. American Civics and Government provides the framework students need for a strong understanding of the government of the United States. American Civics and Government provides the framework students need for a strong understanding of the government of the United States. Updated with the latest research, statistics, and election results, Magruder's American Government offers a clear, engaging approach making the subject of government accessible to students of all abilities. Covers the functions of federal, state, and local government This program introduces students to the intricacies of the federal, state, and local governments, and their rights and responsibilities as U.S. citizens. The single-concept approach makes content accessible for all students as

they make the important connection between the relevance of American government and their own lives, and learn how to become responsible citizens of the 21st century. The manageable content and support helps students successfully meet curriculum requirements. Lexile Level 800 Reading Level 3-4 Interest Level 6-12 Learn how the Law of Moses and Christ's Salvation laid the groundwork for Western justice and compassion -two traits that forged the founding documents of a new government...American Government. This course begins with the origins of Western Heritage that embraced Judeo-Christian principles and then the rule of law and the acknowledgement of natural law that finally created the US Constitution. The Declaration of Independence is covered word for word, the Articles of Confederation is compared to the Bill of Rights and the US Constitution is thoroughly explained from the 7 Articles to the 27 Amendments. This American Government course also examines how the US Constitution held up during historical challenges, such as the Civil War and its slavery issue, and how it now meets new challenges, like Progressivism and threats to national sovereignty. This workbook serves as an interactive workspace for students taking the online "American Government" course at www.gwbridgeacademy.com. This new offering from AP® teacher Karen Waples and college professor Scott Abernathy is tailor-made to help teachers and students transition to the redesigned AP® U. S. Government and Politics course. Carefully aligned to the course framework, this brief book is loaded with instructional tools to help you and your students meet the demands of the new course, such as integrated skills instruction, coverage of required cases and documents, public policy threaded throughout the book, and AP® practice after every chapter and unit, all in a simple organization that will ease your course planning and save you time. We've got you covered! With a program specifically tailored for the new AP® framework and exam. With a brief student edition that students will read and enjoy. With pedagogy and features that prepare students for the AP® exam like no other book on the market. With a teacher edition and resources that save you time in transitioning to the new course. With professional development to help you transition your instruction. Hailed as a stellar educational resource for nearly a century, Magruder's American Government is updated annually to meet the changing needs of today's high school students and teachers. The program's engaging narrative is enhanced with numerous primary sources, political cartoons, charts, graphs, and photos, making the structure and principles of government accessible and motivating to students of all abilities. The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics. "A concise and accessible Coursebook presenting the essential content and skills for the latest AP U.S. Government and Politics course." Includes free-response and multiple-choice practice questions that parallel questions that appear on the national exam. Guided by Grant Wiggins, co-author of Understanding by Design, instruction and assessment are organized around an Essential Question that explores the big ideas of American Government. New, for an accessible curriculum! Explicit reading strategies, such as point-of-use vocabulary support and a considerate text, are designed for students reading at about a 6th-grade level. Each unit culminates in a performance-based assessment task that demonstrates students' understanding. - Publisher. For on-level learners Trusted and authoritative, Magruder's American Government ©2010 sets the new standard through an engaging narrative, updated reading support, integrated Essential Questions, and cutting edge technology. Magruder's American Government curriculum is aligned with Foundations Series: American Government. Essential Questions- Instruction and assessment are organized around an Essential Question that explores the big ideas of American Government. American Government Online Student Center-

Rich digital learning support includes two online Student Editions, Government on the Go Audio and Video resources, interactive assessment, and more! American Government Online Teacher Center- Teachers easily access complete online planning, teaching, and assessment including lecture notes, multiple levels of worksheets and assessments, and easy-to-use management tools. Differentiated teaching resources- Teachers can quickly choose from multiple levels of worksheets and assessments found on the Online Teacher Center and on the Resource Library Disc. With online sampling for American Government you can review the program on your schedule and at your pace. See how Pearson American Government Programs incorporate UBD and Essential Questions. Also learn how Foundations Series: American Government (Magruder's content written on a 6th grade level) and American Government: Experience It! (a hands-on digital program) can accompany Magruder's American Government or can be a stand alone curriculum. This is the revised version of Peter Laslett's acclaimed edition of Two Treatises of Government, which is widely recognised as one of the classic pieces of recent scholarship in the history of ideas, read and used by students of political theory throughout the world. This 1988 edition revises Dr Laslett's second edition (1970) and includes an updated bibliography, a guide to further reading and a fully reset and revised introduction which surveys advances in Locke scholarship since publication of the second edition. In the introduction, Dr Laslett shows that the Two Treatises were not a rationalisation of the events of 1688 but rather a call for a revolution yet to come. The Essential Student Government Guide is available in a medium sized reference edition that covers everything you need quickly and directly so you can read it and get on with your day. This is the only guide written specifically to address the common problems that college student governments face on campus. The guide covers everything from the initial planning steps to implementing quality policies and running student mobilization campaigns to get your issues on track for success. This manual contains brief and easy to use guides including the following topics: time management, priority setting, effective short and long term planning, tabling and student mobilization, on-line organizing, working with the media, leadership development, messaging, visibility, and coalition building for your issues. INTRODUCE YOUR STUDENTS TO THE INSTITUTIONS, PROCESSES, AND POLITICS OF GOVERNMENT Formerly published by National Textbook Company this comprehensive program relates the study of government to the history and dominant leaders of our nation. Sidlow/Henschen's GOVT, 11e delivers an accessible and concise overview of American government that engages students of all generations and learning styles. Thorough coverage of the 2020 election includes insights into the presidential, Congressional and state races as well as the number of women and minority group members elected, the impact of campaign finance and the accuracy of public opinion polls. Reflecting the latest political and governmental developments, GOVT also discusses the latest civil rights issues and concerns, Supreme Court decisions through June 2020, liberty during the pandemic, tariffs, constitutional rights of foreigners, presidential pardons and much more. Concise yet comprehensive chapters in a modern design are easy to read, while Tear-Out Review Cards at the back of the book give you a portable study tool for class and test prep. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. In the American Government Student Text, 3rd ed., your student will learn about essential features of American government, from its historical and scriptural foundations to detailed analysis of its inner workings. The course provides an overview of changes and developments in our government with an emphasis on the U.S. Constitution and current events. It is organized for use in either a one- or two-semester course. The third edition of American Government contains a new chapter on state and local governments as well as Christian worldview boxes that are designed to help students think scripturally and critically about governmental issues. - Publisher. Print Student Edition American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to

work with them in ways that will be useful in later courses, future careers, and as engaged citizens. Meet the needs of all students with an engaging narrative, high-interest graphics, and outstanding teacher support. - William Jefferson Clinton's impeachment trial - Presidential Election 2000 - Campaign finance reform - Microsoft anti-trust case American Government is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. The images in this textbook are grayscale. MATCHES THE LATEST EXAM! Let us supplement your AP classroom experience with this multi-platform study guide. The immensely popular 5 Steps to a 5: AP U.S. Government and Politics Elite Student Edition has been updated for the 2021-22 school year and now contains: 5 full-length practice exams (in the book and online) that reflect the latest exam "5 Minutes to a 5" section with a 5-minute activity for each day of the school year that reinforces the most important concepts covered in class Access to a robust online platform Comprehensive overview of the AP U.S. Government and Politics exam format Hundreds of practice exercises with thorough answer explanations Proven strategies specific to each section of the test A self-guided study plan including flashcards, games, and more online This program provides a behind-the-scenes look at Washington never before available in any government program. American Government Student Edition (4th ed.) presents US government from a biblical perspective and will encourage students to appreciate our heritage. The text aims to develop students' critical-thinking skills and demonstrates how knowledge of history and government are crucial for making decisions about issues on the local, state, and national levels. During this course, students will study the foundations of our country, the Constitution, the three branches of government, and political parties and politics.-- from publisher's description.
