The Boy Next Door Jun 16 2022 From USA Today bestselling author, Jennifer Sucevic, comes a sexy, new stand-alone novel. I've spent more years than I care to admit crushing hard on Colton Montgomery. The blond, blue-eyed hottie leaves a trail of broken hearts in his wake wherever he goes. Mine being one of them. Just when I'd decided to cut my losses and move on, he appeared out of nowhere and swept me off my feet. It had all seemed like a fairytale until he dumped me. Through text message, no less. Ouch. Eighteen months and one study abroad program later, I've returned to Wesley University to finish out my senior year. And Colton? He's nothing more than a regrettable mistake I'd prefer to forget. Or so I tell myself. It only takes one run-in to realize that my feelings for him aren't as dead and buried as I'd thought. Nope, they're still there, simmering dangerously beneath the surface. He wants a second chance to make things right. That's not going to happen. But Colton has other ideas. And part of me is afraid that if he actually puts his mind to it, he'll end up changing mine. *This is a mature New Adult novel with strong language and sexual situations intended for readers above the age of 18*

The Boys Next Door Apr 02 2021 Alan Levy is a college student who, in the fall of 1960, spends a semester abroad in Hamburg, Germany. There, he has the misfortune to rent a room next door to an up-and-coming rock and roll band from the North of England. They call themselves the Beatles. They are loud, rambunctious, and high-

spirited. They are wildly unconventional (at least compared to Alan's Ivy League polish) and play horrible, jarring music at all hours of the night. They are friends, however, with a young woman with whom Alan has fallen hopelessly in love--a beautiful German photographer named Astrid. *The Boys Next Door* is a bittersweet love story and a tall tale; a fast-paced, comic what-if, and a true fantasy fulfillment for Beatle fans everywhere. It's a loving evocation of a time when rock and roll was new and dangerous, and when the lads from Liverpool were taking their first baby steps toward conquering the world.
