She wants to give him a child, though, and when she can't conceive, it puts a strain on her that Cash can't seem to alleviate. That strain explodes when Sophie Marks, Cash's old flame, shows up at their door with a little girl in tow. A little girl she claims belongs to Cash. After all this time, can Sophie be trusted? As in his previous book (volume 3); Dr. Stanley says life situations does not always progress from left to right and from the bottom upward. Whoopi Goldberg speaks...'Here's where I'm supposed to say all kinds of hip, Whoopi-esque stuff to get you to buy the book...So this is when we seal the deal, when I tell you in my own inimitable way, how uproarious and provocative this book is, how OUT THERE, and cutting edge, and whatever else I can think of to throw into the mix. Or, I could say things like, 'Not since War and Peace...' or 'Move over Alice Walker...' Well come on now, if a book were all those things it would be a novel, and I wouldn't resort to such low tactics.... So I'll give it you straight.' As befits the sassy, original entertainer, this is no ordinary autobiography filled with the boring details. Instead, Whoopi delivers twenty-five monologues with titles such as Fate, Trust, Home, Self, Cost, Race, Choice, Dick, Death and Dream. Under the chapter 'Wind' she reveals: 'A lot of people don't know this about me...but that's how I got my name, from my frequent farting. When I was in my 20s and diagnosed with ulcers, I was encouraged to fart up a storm, and my friends started calling me Whoopi. I was like a walking whoopee cushion, they said. It was an easy tag and the name stuck. The original, bestselling book that focuses on salt block cooking, with seventy recipes designed for using this unique cooking tool. Readers of the 2003 release *The Year My Life Went Down the Loo* may recognize passages—this book is an almost complete rewrite and update of that earlier young adult novel, and contains mature themes. Unwittingly Hope In his third volume, Dr. Verdree B. Stanley considers the ways in which life situations are not always manifested from left to right and from bottom upwards. Sometimes, circumstances require a person to start at the end and work their way to the beginning, or start from the top and work their way down to the bottom. Sometimes, acquiring a goal is determined by the point of reference. A straight line is not always the shortest distance and a circle does not always connect.
